

Planning applications reviewed from July to September 2019

The following new application was submitted to SLDC

SL/2019/0779 **Plot 1 Land North of Biggins Hall Biggins Lane Kirkby Lonsdale LA6 2NP** Dwelling with new vehicular access. KLDCS has objected to this new scheme which departs fundamentally from the much more sensitively designed, approved scheme (SL/2016/1112), in composition, detail and scale. KLDCS believes that the use of excessive glazed areas throughout is not in keeping with the adjacent dwellings in this small hamlet, and the extensive areas of rendered wall lack the character of the previously approved scheme and are not sympathetic to the surrounding buildings. The substantial increase in height of the whole, with the consequent two and a half storey high window features, has resulted in an over-bearing composition which KLDCS believes is quite inappropriate for this prominent site in the historic and protected area.

The following new applications were also submitted to SLDC, KLDCS had no comment-
