

## **Planning applications reviewed from December to January 2020**

The following new application was submitted to SLDC

PN/2020/0027 **New House Back Lane Kirkby Lonsdale LA6 2AP** to replace existing timber doors with matching timber framework incorporating 2 nos. of windows suitable for escape purposes. Replace/Refurbish and extend existing balcony within ground floor boundary. KLDCS has objected to aspects of this proposal, and would prefer to see a single new window rather two new small windows within the timber infill to the existing archway. KLDCS would also prefer to see traditional materials used for the new balustrade on the extended balcony.

SL/2020/0016 **6 Fairbank Kirkby Lonsdale LA6 2BD** Replacement of two sash windows to ground and first floor and replacement of casement window to second floor on the front elevation only. KLDCS has asked for clarification to confirm that all three windows will be replaced in like for like style, and not that all three would be replaced with sash windows.

The following new applications were also submitted to SLDC, KLDCS had no comment-

PN/2020/0004 **Crabtree Farm Lupton LA6 1PJ** Proposed Smart metering installation

SL/2020/0033 **Fleet Farm, Lupton LA6 2PT** Retention of biomass boilers and associated buildings and infrastructure.

PN/2020/0001 **Mealrigg Lane Hutton Roof LA6 2PE** New 9m wooden pole at grid 357005-476807, new 9m wooden pole at grid 357000-476877, new 9m wooden pole at grid 357052-476907, new 9m wooden pole at grid 357113-476941 & 106m duct 56 in soft in public from JB26:515 to new carrier pole at grid 357113-476941

No new applications were submitted to YDNP -
