

# UPDATE

## KIRKBY LONSDALE & DISTRICT CIVIC SOCIETY

### Hello everyone,

I hope you've been able to keep safe and well over the last few months when I'm sure many of you have been waiting and waiting for life to become clearer. Your committee certainly has. We've continued with regular activities such as committee meetings (by Zoom) and reviewing planning applications.

**You'll recall that in June we said we'd been in touch with our speakers and, subject to review and confirmation, would hold six of the talks between January and June 2021 and the seventh would take place in December 2021.**

Sadly, having spoken more recently to the speakers and looked carefully at all the latest restrictions, we're unable to hold

the six talks as planned. We will therefore postpone four, but we're able to run two online, via Zoom.

The first of these 'The Westmorland Dales Landscape Partnership Scheme' will be on Monday 9th November. Further details of this talk, and an offer of help with Zoom if it's new to you, are attached.

**However at present we can run our annual course in May 2021 un-Zoomed.** The course will take place in Barbon with Roger Mitchell, learning the history of 'The English Country House' over three Saturday afternoons - and tea and cakes!

**Looking further ahead it will be our 50th birthday in 2022 and we've begun to think how to mark this important occasion, both within the Society and in the wider community.** We're currently refreshing our 'branding' e.g. posters, letterheads, our website, more on which well before 2022! We'll be asking for your ideas closer to this date.

**You will also find attached details of an external talk by Blue Badge guide Tess Pike: 'Kirkby Lonsdale's WWI Heroes' on Wednesday 11th November 2020, 7.30pm at the Lunesdale Hall.**

**Thank you, and our best wishes to you all.**

**Anne and the committee**

### KLDCS Questionnaire

We'd appreciate if you'd complete a short anonymous survey to help us tailor our society to meet your needs. You will find a link to the survey in this email.

## COMMUNITY SUPPORT

**We've recently provided replacement bins in the children's Play Park.**

**Not as cute as frogs, but much needed and appreciated.**
